## LIVE BROADCAST

Why not further promote yourself with an outside broadcast. This is ideal if your aim is to attract attention and works extremely well if you're having a store opening, clearance sale or maybe a fundraiser. Our community events marquee sets up and broadcasts live from your location. Pricing depends on length of broadcast.

Build your business brand and have your name heard by many ears through our airwaves for a one off annual cost of \$3000+GST

Have your business promoted in our on air directory for 12 months!

This package gives you a minimum of 3x15 second run of station spots 7 days per week with additional bonus filler spots (up to 5 per day) over the entire year for less than being listed in the local directory.

Your spots will only run from 6am - Midnight

This package is also only available via invitation and is not promoted via any other medium.
